Dear Ben,

I'm very sorry to hear of your decision to leave MGM. There comes a time when a person knows that moving on is the right thing to do. Take it from an ex-NFL offensive lineman that knows the territory.

I want to take this opportunity to thank you for all the assistance and encouragement you offered that prompted me to take advantage of the opportunities that MGM offered to BLAZE thru their Contractor Diversity Program. The \$13 Million Dollar site work contract BLAZE performed at the Detroit MGM Grand Hotel and Casino Project represented the largest and most successful project we performed during our entire 8 year history as a minority contractor. I'm very grateful that MGM created the environment in their diversity program for you to seriously extend serious opportunity to BLAZE. I'm very hopeful that the environment in the MGM Diversity Program continues after your departure and also hopeful that we will have the pleasure of working together again in the future.

Yours Truly,
